# Principal's Report

This week we welcome Robbie Kellock who has the role of supporting students experiencing difficulties in class or are coming back to school on partial enrolment arrangements due to agreements. Robbie will work in the Barwon room as well as in classes depending on where the support is required each day.

The new Principal for Brewarrina Central will be here ready to start term 3. I will let the community know more details when the appeal period as per merit selection guidelines has passed.

Last week two students, Casey Bloomfield and Bianca Cochrane represented our school at the regional SRC camp. The girls travelled to Burrendong Sport and recreation Camp for three days. The region's Student Welfare Consultant was suitably impressed by the girls' participation and leadership skills demonstrated in activities at the camp. I'm sure skills learnt will be used by the girls as they become prominent leaders in the school's SRC. It is always wonderful to hear our students present themselves in such a positive manner sometimes in challenging situations.

Last week students in the primary competed in the district cross country held in Brewarrina. Our students again displayed their sporting skills with 14 students achieving a place in the regional cross country at Wellington next week.

Yesterday students enjoyed events at the Athletics carnival held at the oval. It was good to see students competing and supporting each other in many field and track events. Thanks to Miss Bath for organising the day and parents who came to cheer everyone.

The school is holding NAIDOC celebrations in the last week of the term (week 11). Activities will be held from Tuesday-Thursday. The community is invited to attend. Posters highlighting activities will be displayed around town and published in the next newsletter.

I would like to remind everyone it is a requirement of anyone visiting the school under OH/S rules to first sign in at the front office. Starting next week school gates will be closed except the single gate near the administration building as the canteen is now fully operational.

Regards

Cathy Clark  
Relieving Principal

A few more photos from

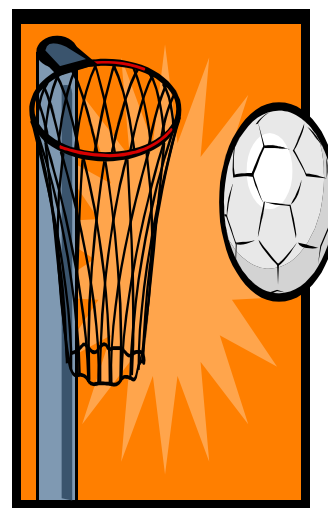

A "HUGE" THANKYOU to all the students who participated, also to our spectators and parents that attended our carnival AND also to the staff and helpers that helped with the events and running of this carnival that helped to make our carnival such a great success for 2010.

Our 2010 carnival was a success

## NSW Sport and Rec Netball Gala Day in Coonamble

On Wednesday the 26<sup>th</sup> of May, a group of Primary girls travelled over to Coonamble with Aunty Bim and Miss Dalla Vecchia, to compete in a Netball Gala Day. The girls played five games and should be very proud of their efforts. They improved with each game they played and their never give up attitudes in the end allowed them to come away with a win – although the girls might tell you it was because of the birthday cake they ate before playing the game. It was a great day spent in Coonamble full of sportsmanship, pride and lots of giggles. The girls came back tired, full of oranges but excited and happy over the netball games that they played. The team would like to say a HUGE thank you to Aunty Bim for driving the bus for them on the day.

# NETBALL

Congratulations to Stevee Hammond, Annette Lyons, Ehren & Taylah Donnelly, Zanah Rose and Annalyce Gordon who represented Brewarrina in the Under 10's Netball Division at the Lightning Ridge Gala Day on Saturday 5<sup>th</sup> June. The girls placed 3<sup>rd</sup> in their division with 1 loss and 2 draws.

Congratulations also to Peta-Maree Williams & Glenda Doole who played with the Under 12's Lightning Ridge Team. Both girls fitted in well with their side.

Congratulations to Annika Frail, Briane Conroy, Bianca & Amelia Cochrane, Rachel Dodds, Sam Gordon, Courtney Boney and Crystal Gordon who represented Brewarrina in the Opens Division at the Lightning Ridge Gala Day on Saturday 5<sup>th</sup> June. The girls played really well considering they played in the Open division with all of the girls bar two who is under 16. The girls also placed 3<sup>rd</sup> in their division.

The girls played with enthusiasm, drive, spirit and great sportsmanship.

The girls would like to thank Crystal Gordon and Auntie Jenny Hammond for organising, supervising and supporting the girls.

The next and final Gala Day is in Goodooga.

Photos will be published in the next newsletter.

Well done girls!!!!

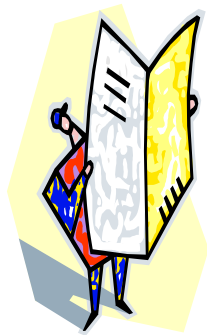

**Carol Barker**
