Principal's Report

We are at the end of week four already and the term is in full swing. Over the next few weeks a number of sporting events and activities are scheduled. If your child is selected to participate, please sign all the areas on the permission note and return to school as soon as possible.

The football and netball carnivals scheduled this week for Walgett and the Goodooga Indigenous Games have all been rescheduled for September. Notes will be sent home as soon as we have the final details.

Included with this newsletter is a sheet asking that you update your contact details. We have had a number of incidents that have required contact with parents and have found phone numbers to be disconnected or unanswered. In addition, a number of students are now residing with other carers and we would appreciate an update of these details. This will enable us to keep accurate records and contact you in the event of an emergency. I thank you for your assistance with this matter.

There are still a number of years 7, 8, 9 & 10 students leaving the school grounds via the pedestrian gate near the Administration block. I would appreciate your assistance in talking to students with regard to the matter and ask that students be provided with money to spend at the school canteen or recess and lunch so they have no reason to leave the school grounds. If students continue to leave I may have to consider locking the pedestrian gate at recess and lunch to keep our children safe. Please note there is an updated canteen menu in this edition of our newsletter.

Please note that the school photos have been cancelled until further notice. A notice will be sent home at a future date regarding the reschedule of the school photos. Please continue to pay for your photos at the front office. Sorry for any inconvenience this may have caused.

Thank you all for your help and co-operation and working with me to educate and keep our children safe.

Kerry Bryan
Principal

Infants/Primary Report

It is with some disappointment I start our report this week. Whilst Primary students enjoyed sport a short time ago some other students went through bags left on the silver seats and took food, money and electronic equipment. When primary students, mainly from 5/6M, returned to get bags they saw all their possessions spread over the ground. I wonder how other students can do such things to friends and perhaps even relatives and think their behaviour is either justifiable or acceptable.

The behaviour though of the victims needs to be commended. They sat together and helped each other pick up what hadn't been damaged and gave support to each other. On one hand we see students who give no regard to others and then we witness support and friendship by others who have been placed in a difficult situation. Congratulations to our Primary students who showed such maturity.

On a brighter note, we are sending many students to represent our school at the District Athletics next Thursday at Bourke. We are sending so many students we are taking 2 buses. We wish all athletes a fantastic competitive day. Once again I'm sure Brewarrina Central students will do us all proud.

The Ricky Walford football day and the Indigenous games have been cancelled until further notice.

Congratulations to 3/4D who have the past 2 weeks been class of the week for best attendance. 3/4R and 2W are also doing an excellent job coming to school unless they are sick or unwell.

Miss Nicholls should be very proud of Kindergarten who are writing fantastic sentences. They are reading and writing and are producing wonderful work.

We welcome new students to our school and trust they have a happy time at Brewarrina Central.

As always if you have any concerns or would like to talk about the education of your child please come and make a time.

Cathy Clark
DP Primary

1H Dragons News

Here are a few reminders for 1H Dragons Parents/ Caregivers:

- ♦ Homework is sent home every Monday and needs to be returned on Friday
- ♦ Home readers have been sent home and need to be signed off and returned so that students may borrow a new reader
- ♦ If students are away please send a note to school (if you have used all of your notes on the calendars please let me know and I can send more home)

I would like to welcome our new students: Kyah Moore, Savannah Moore and Jacinta Shillingsworth to Year One!!

Year 1 enjoyed a Teddy Bear's picnic last week to conclude our Goldilocks and the Three Bears unit.

Lauren Hadley

Year 1

Teddy Bears Picnic
