Term 3, Issue 5- 2018

Kinderstart 2018

Principal's News

Welcome back to Term 4...it was wonderful to see so many of our students in their school uniforms and ready for school on Monday. They have settled back into the routine of school really well. It was a pleasure to walk around the school last week and to note how quiet and happy the atmosphere was. I would like to welcome Mr Brady Pudya to the school. He is teaching Maths in Secondary.

As usual term 4 will be as busy as ever. The HSC commenced last week and the students have completed their two English papers already. The verdict on the English exams was that they 'weren't too bad.' I wish all our students (and their families) the very best as they traverse the rest of the HSC over the next few weeks and would like to convey my heartfelt thanks to their teachers who have ensured they were well prepared for what they might encounter. I look forward to catching up with them at the Year 12 Formal on 5th November.

Kinderstart will be beginning this week. I look forward to meeting with all our new students and their families this Monday. I am sure there are some very excited 'little ones' who can hardly wait to come to 'big school.' Please remember it is absolutely essential that the Kinderstart students have all the necessary enrolment forms completed prior to their attendance at Kinderstart. Miss Kellet, Miss Follett and Aunty Lacey will be able to assist with this.

There are a number of excursions and other events happening this term, please ensure that all payments and notes are completed in full by the due dates. These events are then able to operate so much more smoothly when this happens.

The students should be focusing on their learning throughout this term. Their Yearly Reports will be prepared by their teachers later in the term. Students should be endeavouring to see

improvements across all areas. Meetings for students progressing from Year 10 to 11, Year 11 to Year 12 and Year 6 to 7 will be held this term. I look forward to meeting with you then.

Please contact the school if you have any concerns regarding your students' progress.

Christine Grieves.

Infants/Primary News

Welcome back to Term 4! Congratulations to all the winners of the major raffle, there were many happy people. A big thank you to Ms Crowther for her excellent organisation of the raffle and to all the staff and businesses who donated prizes! Congratulations to Jenette Boney (and her family) who did an awesome job of selling many books of tickets and she was rewarded with a free trip to the Year 3 to 6 excursion. The raffle raised over a thousand dollars to go towards paying for the Years 3 to 6 excursion.

Next Thursday we are having a Halloween disco at 3.30pm in the school hall. Entry is \$2.00 and we will be selling a variety of food and drinks as part of our fundraising campaign. We'd love to see everyone there, dressed in Halloween and ready to boogie!

Just a reminder that all students need to bring a hat to school. The temperatures have already hit the mid 30s and it's only going to get hotter. We are encouraging children to bring water bottles that can be refilled during the day and to wear hats whenever they leave the classroom.

School swimming for sport starts next week and it is compulsory for all children to attend. Pool entry is \$1.00 unless students have a season ticket. Children who do not have money or swimmers will accompany us to the pool and do water safety demonstrations in the shaded areas.

Please feel free to come up and see me if you'd like a chat or pop in to your child's class.

Take care, Beck Williams

Secondary News

Welcome back to Term 4! Time has certainly flown, and it is hard to believe there is less than 10 weeks until the end of the school year.

A big welcome to Mr Brady Pudya to our secondary team- he is covering Maths until the end of the year.

Good luck to our Year 12 students who have started the HSC Examinations. The Year 12 Dinner will be held on Monday, November 5 at 6pm at the Wing Garden Restaurant (Brewarrina RSL). Invitations have been sent out and tickets can be purchased at the Front Office.

Year 6 to 7 Transition will commence in Week 3 of Term 4. We are certainly looking forward to giving them a taste of the High school action. Year 6 students will also be allowed to eat their recess and lunch in the Secondary area after Week 2 as part of their transition.

Notes have been delivered in regards to the information sessions for students beginning Year 11 in 2019, and students moving into Year 12 next term.

Good luck to the group of Year 7/8/9 Clontarf boys who will be off to cricket in Louth during Week 2. This is the first of many fun and learning opportunities for all of our students this term.

Positive Behaviour for Learning

(PBL)

At our school we are

Safe

Respectful

Learners

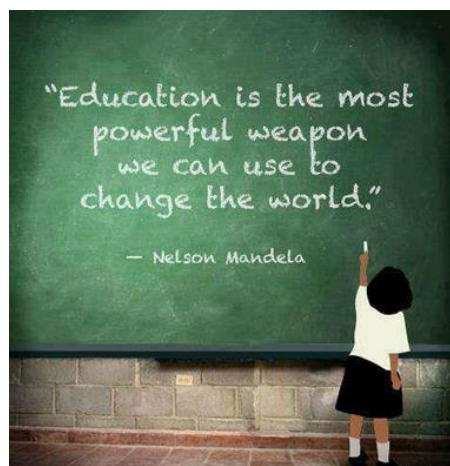

Our focus this fortnight is RIGHT PLACE RIGHT TIME

Students should always ensure they:
*Arrive on time

*Stay in class when it is class time.

* Stay in designated play areas during break times

We have lots of exciting rewards coming up this term- students who have been consistent with their positive behaviour will be able to take part. It has been awesome to see so many students earning their merits and enjoying their learning. We pride ourselves on safe learning environments- our students are always welcomed and included. Our expectation is that students are in the classroom actively involved in their learning. Structures that we have in place are to support the best learning as well as the best behaviour- we are thankful to all our parents/carers who support us with this.

Well done to all of our students that continue to come to school every day- consistent attendance is key to quality learning.

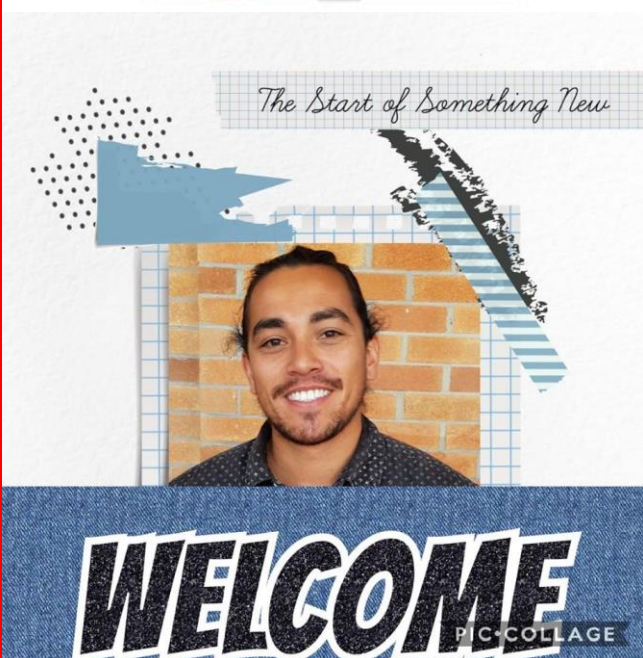

We have new School shirts with our school Logo.

\$15 each

Attention Parents & Caregivers

Please contact the school in person or by phone on 02 6839 2186 to update all contact information. We require updated addresses, phone numbers and email addresses.

This term we have welcomed Mr Brady Pudya. He is teaching Mathematics in Secondary and is loving his outback experience.

Schools Photos Are Back

Please come into the Front Office to collect your child's school photos.

We will not send your child's photos home with them unless alternative arrangements have been made.

AECG

- AECG General Meeting 3rd December @ 5.00pm
- AGM 1st November @ 5.00pm
